Whereas, In past sessions of the Texas Legislature there have been conflicts in the scheduling of Senate committee meetings; and

Whereas, Such instances have given rise to confusion and have often resulted in the inability of some members to attend each committee meeting in which they should participate; and

Whereas, More orderly procedure and better attendance of both members and witnesses could be attained if meetings were scheduled through one central authority where conflicts could be eliminated; now therefore be it

Resolved, by the Senate of the State of Texas, That the President of the Senate shall schedule all meetings of all committees of the Senate, naming both the place and the hour of such meetings, with schedules to be posted in the usual manner on the Senate Committee Bulletin Board.
